I will check, I think ER might have a Minneapolis office.

This is another residential yard cleanup for Manganese, currently 5 homes so relatively small. Both ERRS have experience, I know ER just finished with Federated for Andy, don't know if there's any advantage from that, do both have local offices in the area? Local personnel would be good.

SH Bell Mn - \$350,000 – Benning

Hello Brad, I will be assigning SH Bell Mn to ERRS, do you have any reason to choose one ERRS contractor over the other for this site? Is there anything else I should be aware of with this site?
